Opening

Well, the snowmobile season has officially ended, what a great year! We had a nice snowmobiling season and it was one of our best years for riding around the clubhouse in a long time. And with our ability to groom our trails, I am extremely excited for next year. Hopefully, it will be a repeat to this year!

Spring is in the air and it's time to get working in the yard, or even better, swinging the golf clubs or getting that motorcycle out for a ride. Please pay attention to upcoming Spring and Summer activities and plan on spending time up at our great clubhouse!

New Memberships are a critical element in the financial stability of our Club and it has been great to see that over the last year we have added some new members. Please continue to spread the word about our Club to attract potential new members.

2026 Elections

Elections will be held at the May meeting, please do your best to attend. The following is a list of members that are eligible to run for office:

Jack Belsterling	James Carr	Dean & Ellen Cercone	Andrew & Kaye Goehring
Robert Grubs	Stan Grubs	Paul & Beth Gumina	Jim & Lori Hart
Rich & Loretta Hayes	Ken Kelly	Doug & Deb Kyes	Scott Moody
Vern Morrow	Larry Mosier	Mark & Sandy Mueller	Jeff Rago
Corry Schwadron	Lou & Cindy Rago (must attend the May Meeting)		

It is crucial that more members get involved in running the Club and assist in steering it into the future.

Spring Bash

WOW! Needless to say, the 2026 Spring Bash was a huge success with approximately 300 members and guests in attendance. The attendance this year has to be a new record!

With the new venue, North Park Lodge, we were unable to setup Friday night. However, the setup on Saturday morning was very efficient with numerous members assisting and we were well ahead of schedule. Saturday setup will be the new norm going forward. And during the Bash, our membership stepped up in all activities that made the entire Bash run smoothly. We received positive feedback on the catering, sound system, baskets, and the other auction items as well. With the cleanup and shut down, many members and guests assisted and we got it wrapped up in about an hour. In risk of not recognizing everyone that contributed by name, I will just say thank you ALL!

With ticket sales, we did not sell all our tickets. This made things difficult and we had to sell tickets at the door and raffle off tickets to get everything sold. With that said, there is too much effort required in

chasing down tickets and money. **We have got to get the money in sooner to minimize the last-minute chaos!**

I would like to acknowledge Rich, Loretta and Beth for Chairing the Bash. Thank you, Rich, Loretta and Beth, for a job well done! Again, I would like to express my sincere appreciation to everyone involved in making our 2026 Bash a huge success, well done!

The proceeds from the 2025 Spring Bash were donated to Variety the Children's Charity (VCC). At our 2026 Spring Bash, the leadership team from the VCC attended our event. With our 2025 contribution, the VCC purchased two adaptive bikes and they were presented to the recipients, Jack and Stormy. Congratulations to Variety the Children's Charity and especially, Jack and Stormy!

For the 2027 Spring Bash, we will be taking recommendations on venue options. If you have a recommendation, we will be making the final venue decision in June. Therefore, get your recommendations in the next few months for consideration.
