Spring Work Weekend

The Spring Work Weekend is scheduled for Saturday, May 16, 2026. We have various projects on the list to be completed and it would be great to have a strong turnout to get some of these knocked out. Some of the projects include:

- Inspect the septic tank.
- Finish Re-lamping hallway upstairs.
- Paint lower exterior perimeter.
- Replace the door in the women's bathroom in the Social Room.
- Stain the deck.

We will need a count on how many members will be attending to prepare for our meals. Please drop me a note or give me a call (724)272-6168 to let me know if you will be joining us.

Spring is upon us and summer is not far away. I'm sure everyone is working diligently to get their yards and lawns in great shape so we can enjoy the beautiful weather that is around the corner.
